

Theology of Sin
Part III
The Effect and Extant of Sin

Part I. The Choices

Deuteronomy 30:16-20

Choose Life= choosing to do life God's way

Choose Death= sin; doing it my way

Part II. The Choice of Death

Genesis 3:17-19

The first sin brought a curse upon a perfect world

What was meant to be lush, beautiful, productive and perfect was now corrupted with sin.

Romans 8:20-22

Romans 1:20-23

The layers of sin that we have added on are like ripples in water that slowly but surely create a tidal wave of death and destruction.

The extant of sin is both on the individual and the whole.

Judge 2:10-13

They traded the truth of God for a lie

They didn't stop worshipping God, they just widened the target.

2 Chronicles 36:15-21

They lost everything!

The effect of sin is a slow, gradual process that lulls you into a false sense of security.

Part III. The Better Choice

Even in a world that is decaying under the effects of sin, we can still choose life.

1 Kings 19:18

The remnant were regular people who refused to bow the knee to sin

Romans 5:3-5

When the world is at its worst, we can see God at His best.
